

Camaco Consulting QMS Policy

Camaco Consulting is a privately-owned business participating in variety of industrial and business consulting activities.

It is our primary aim to maintain and enhance our reputation for consistently producing timely and cost-effective projects to completely meet our clients' expectations. Maintaining excellent working relationships with our customers through delivering quality projects is paramount.

It is our policy to:

- Ensure compliance with contract documentation, standards, codes and statutory requirements.
- Maintain quality management awareness at all levels of the organization and promote quality as the prime responsibility of every employee and subcontractor.
- Maintain total commitments to Quality Management Systems in compliance with AS/NZS ISO 9000:2016 family of standards.
- Respond in a timely and constructive manner to customer complaints and act promptly on agreed remedial actions.
- Ensure that all quality management activities are supportive of project activities.
- Ensure objectives are met and maintained in line with the company Quality Manual to deliver a service and product to meet client requirements.
- Communicating this policy to employees, subcontractors and the public.

This Policy outlines our commitment to meet standards for the benefit of clients, adjoining property owners, employees, contractors and other stakeholders.

We encourage all our staff to seek quality and continuous improvement practices into their everyday lives.
